Celebrating 30 Years of Economics and Business Higher Education in Debrecen

ISBN application in progress

16-17 May 2024

CALL FOR PAPERS

Organisers:

Faculty of Economics and Business, University of Debrecen

Faculty of Law, University of Debrecen

Faculty of Engineering, University of Debrecen

Magyar Nemzeti Bank (MNB)

Conference Venue:

Faculty of Economics and Business, University of Debrecen

4032 Debrecen, Böszörményi Street 138, TVK Building, Debrecen, Hungary

Objective of the Conference:

The University of Debrecen, in partnership with the Magyar Nemzeti Bank (MNB) – celebrating its 100th year in 2024 – is proud to announce the *"Sustainable Economy – Sustainable Society International Scientific Conference,"* taking place on May 16th-17th, 2024, at the Faculty of

Economics and Business. Marking 30 years of economics and business higher education in Debrecen, this forum offers domestic and international researchers a unique opportunity to showcase their scientific findings and participate in workshops, sharing experiences and fostering collaborations. With a broad audience in mind - including those in the humanities, social sciences, economics, engineering, legal studies, and beyond - this conference welcomes contributions from other interdisciplinary fields.

Participation in the conference is free of charge but requires registration. The conference will be held in person. We reserve the right to make any changes, we will notify everyone before the conference.

Publication Opportunities:

The abstract submitted with the registration form will be published in Proceedings, including the conference programme, with a copy provided to each participant on the conference day.

Based on the recommendations of the session chairs, opportunities will be provided to publish studies derived from the 15-minute presentations. Submitted studies will undergo a double-blind peer review process. Studies that pass the review and are accepted will be published in the conference's electronic proceedings or one of our partner journals, subject to the applicant's prior

choice.

Our partner journals:

- Abstract (Applied Studies in Agribusiness and Commerce) (ISSN: 1789-221X)
- Competitio (ISSN: 1588-9645)
- Debreceni Jogi Műhely (ISSN 1787-775X)
- Műszaki és Menedzsment Tudományi Közlemények / International Journal of Engineering and Management Sciences (E-ISSN: 2498-700X)
- Economica (ISSN: 2560-2322)
- International Review of Applied Sciences and Engineering (ISSN: 2062-0810)
- Közjavak (ISSN 2498-7190)
- Pro Futuro – A jövő nemzedékek joga (ISSN 2063-1987)
- Public Goods & Governance (ISSN 2498-6453)
- Recent Innovations in Mechatronics (ISSN 2064-9622)
- Régió kutatás Szemle (ISSN: 2559-9941)
- Táplálkozásmarketing (ISSN: 2631-1380)
- Tejgazdaság (ISSN: 1219-3224)

In addition to those mentioned above, high-quality studies will be offered further publication opportunities in journals indexed by Scopus and Web of Science.
